Hello!!! I'm Rubayet. I'm from Bangladesh. I have completed my bachelor's degree in Software Engineering with a fully-funded scholarship from Anhui University of Technology, China. Currently, I'm having a part-time job on a start-up company as a junior Front-End developer. I'm creating Material UI components and library applications. I'm using ReactJs, Storybook, TypeScript, JavaScript, HTML, CSS and so on for my workplace. Furthermore, I'm remaining passionate about my job. Particularly I want to continue my career in Front-End Development.
